First Things First

- **Customize Your Personal Page** ●●
Did you know that participants who personalize their Personal Page and send emails through their Participant Centre raise an average of 22% more than those who don't? Share your story and upload an inspirational photo! Compel donors to contribute by explaining how women's cancers have touched your life and the commitment of time and energy that you're putting into preparing for your Weekend journey.
- **Use Your Participant Centre and Send Your First Email** ●●
Take advantage of the amazing tools your Participant Centre offers! Import your email contacts, send customized sample letters, track your responses and thank your donors! Returning Walkers—remember to thank your 2010 donors and ask them to support you again!

Invite friends and family to attach your badge to their signatures as well with a simple prompt to "Support my daughter's/sister's/friend's journey!"

If you're not a member of Facebook yet, join! Meet other Walkers in your area and receive notifications on upcoming Weekend events by liking The Weekend Page on Facebook. Download our special Facebook Application and utilize Status Updates to let others know about your Weekend goal and drive a whole new audience of potential donors to contribute.
- **Download the iPhone Application** ●●●
