## Help me by donating to The Shoppers Drug Mart® Weekend to End Women's Cancers™ benefiting Alberta Cancer Foundation

We are on a mission to end **all** women's cancers.

That's why I am participating in The Shoppers Drug Mart Weekend to End Womens Cancers. Every dollar I raise will directly impact the lives of cancer patients all over Alberta. The Weekend is dedicated to making a difference, so even though I'm required to raise a minimum of \$2,000, my goal is to raise much more!
